

ARKIL CHOSE DAV NORDIC FOR 18 BRIDGES

Bridge- and crash guard, bar- and pipe railing

18 bridges on Lolland and Falster have been renewed and raised in connection with the electrification of the line to Rødby. DAV NORDIC A/S has delivered to all bridges over a period of 3 years.

Upgrade to Fehmarnbelt

Extensive work is being done on the electrification and the speed upgrade of the railway over Lolland and Falster. It should be ready for the upcoming fixed connection over the Fehmarnbelt. In this regard, DAV NORDIC A/S has supplied and installed bridge guard, crash guard and in some cases also guard rail and pipe guard rail for Arkil A/S to protect pedestrians.
